Career Objective

Final-year Electronics and Communication Engineering student seeking an opportunity to apply technical knowledge, analytical and problem-solving skills, contribute to innovative projects, and continuously learn and grow in a professional environment.

Education

B.E. in Electronics & Communication Engineering

Sri Venkateshwara College of Engineering, Bengaluru | 2023–2027 | CGPA: 8.2(Till 6th Sem)

PUC – Government PU College, Yelahanka | 2021–2023 | 90%

SSLC – Sterling English School | 2020 | 90%

Technical Skills

- **Programming Languages:** Python (Basic), C#, HTML, CSS, JavaScript (Basic), Java
 - **Tools & Platforms:** VS Code, MATLAB, Arduino IDE
 - **Domains of Interest:** Web Development, IoT, Embedded Systems, VLSI
-

Internship Experience

Python Developer Intern | Nov 2025 – Dec 2025

The Entrepreneurship Network (TEN)

- Developed Python-based applications, including a **Hotel Management System**.
 - Built a **portfolio website** using Flask, HTML, CSS, and JavaScript.
 - Enhanced Python, web development, and debugging skills.
-

Academic Projects

Footstep Power Generation using Piezoelectric Sensors

Designed a system to generate electricity through human footsteps using piezoelectric sensors, showcasing renewable energy harvesting.

IoT-Enabled Short Circuit Protection and Predictive Maintenance System for Smart EV Charging Stations

Developed a system for real-time fault detection and predictive maintenance using IoT. Presented at SSITCON-2025, recognized as Best Paper Presenter.

AI-Powered Robotic System for Detection and Removal of Plastic Carry Bags from Public Waste

Designed and developed an AI-powered robotic system that detects and removes plastic carry bags from public waste using computer vision and automation, improving waste segregation efficiency. Developed under the MeitY Digital India RISC-V Grand Challenge through Krutam Yantra LLP.

Achievements & Participation

- **Finalist, Digital India RISC-V (DIR-V) Grand Challenge 2025-26**, Ministry of Electronics and Information Technology (MeitY), Government of India.
- **Best Paper Presenter** – SSITCON 2025 (IEEE International Conference)
- Participated in the SAGE Symposium on **RF MEMS and Electronic Warfare Systems** – BMSIT, Bengaluru.
- Participated in the **Paryavaran 2025 Workshop** on Environment and Green Energy – Ramaiah Institute of Technology, Bengaluru.
